## Steviva Brands – 8oz Bottle – Point of Purchase Display

**With customers making 70% of their purchase decisions in stores, our attractive point of purchase display is a crucial advantage.**

Our easy to assemble cardboard on the counter point of purchase display holds up to 8 bottles. It is well designed with bright graphics and solid sell lines that will draw the eye of any consumer. The best part is they are **free** upon request with your purchase of one or more cases of Steviva Brands Stevia Powder. Call now to get yours today.

### Our displays are 100% recyclable!

### Corrugated Recycles

Corrugated cardboard is a natural, environmentally friendly medium that is recycled more than any other packaging material. Our point of purchase display does not contain any lead, hexavalent chromium, cadmium or mercury.

### Steviva Brands Quality Guarantee

Let's make this simple. If you aren't happy, we're not happy. If any of our products don't meet or exceed your or your customer's expectations, simply return the unused portion and we will gladly refund your money in full, no questions asked.
